PRODUCT INFORMATION

6709 – MODELLING STAND

(The designed has been amended recently to use tubular metal legs and not the press version shown in this illustration)

A simple modelling stand for clay modellers and sculptors. The height is easily adjusted via a simple spindle lock, between 20" and up to 30". The 10" diameter turntable top can be freely rotating or locked with a thumbscrew placed in the shaft. A handy tool shelf is positioned just below the turntable.
