

## PRODUCT INFORMATION

### 7137 - SHIMPO RK3D WHISPER WHEEL

---

The RK Whisper represents the next generation of potter's wheels. Responsive, high torque at all speeds, powerful and quiet. The exterior of the RK Whisper resembles the discontinued RK10, but that is where the similarities end! This new wheel features a brushless DC motor and direct drive (no belt) system. The motor is electronically controlled and operated by a fixed foot pedal and hand lever. It is reversible and the steel body is durable under all conditions. A 12" wheelhead and two-piece splash pan are included as standard features.

- Brushless DC Motor - Smooth, quiet, powerful, no maintenance
- Electronic Controller - Maintains desired speed under all load conditions
- Broad Speed Range - Allows optimum speeds under all load conditions
- Reversibility - Accommodates left and right hand users
- Built-in Breaker - Motor protected from overload
- Fixed foot pedal w/hand lever - Compact design saves space
- Wheelhead turns freely at 0 rpm - Serves as a banding wheel
- Two-piece splash pan w/built in table completes the package
- Two-year warranty - Peace of mind
